Futures Price Trend

Market Analysis

ICE arabica coffee futures rose on Monday as other commodities advanced but the market trimmed gains and stayed in Friday's range during May-July rollovers. ICE May arabica coffee closed up 25 points at \$1.3110 a pound, with July up 20 points at \$1.3345. ICE May robusta coffee settled 80 points higher at \$1.0250 a pound. Robusta futures in London ended narrowly mixed in very thin volume in a session dominated by light and choppy investor dealings on both sides of the market. Amidst active position rolling, origin sellers appeared largely absent. The market seemed to be pausing after a highly volatile week in which robusta prices rose to two-week highs on Thursday. LIFFE May settled down \$3 at \$2236/tonne while July settled down \$2 at \$2268/tonne.
