Futures Price Trend

Market Analysis

NYBOT arabica coffee futures ended firmer on Monday after early losses were erased and the market rebounded and reached five-month highs but ran into origin and fund selling. Early options-related selling was met by speculative buying and the market recovered, scaling Friday's high and sparking stops. Nybot September closed up 15 points in the pit at \$1.2075 a pound, with December up 10 points at \$1.2475. LIFFE robusta coffee futures closed higher Monday, recovering some of Friday's losses with the help of spillover support from NYBOT arabica futures. September ended up \$11 or 0.6% at \$1,807 a metric ton with 8,120 lots moved. November rose \$12 or 0.7% at \$1,829/ton with 9,250 contracts moved.
