Futures Price Trend

Market Analysis

ICE Pit-traded arabica coffee futures ended higher on Thursday recovering from an early breach of Wednesday's low as small speculators and day traders bought while March-May rolling continued. Buyers were influenced by a weaker dollar and a recovery in gold, other commodities and the CRB Index. ICE pit March settled up 105 points at \$1.3235 a pound while May gained 105 points to \$1.35. London robusta futures finished slightly lower, however. ICE March robusta coffee stood at 93.75 cents a pound in late screen action. LIFFE Jan settled down \$4 at \$2019/tonne while Mar settled down \$5 at \$2040/tonne.
